2. You can use different ways to search for courses.

1. You can search for specific courses using the search bar.
2. You can search for courses by searching through the categories on the left hand side.
3. You can switch the way the courses are displayed using these icons to give you more or less information per course.
4. The courses that are PINK are online, and the courses that are BLUE are Instructor Led.

The screenshot displays the website interface for Episcopal Children's Services. At the top, there is a banner with the logo and the text "QUALITY EARLY CHILDHOOD EDUCATION EQUALS A BRIGHTER FUTURE FOR ALL OF US". Below the banner, there is a navigation area with a search bar, a "Welcome Visitor" message, and a "Browse Courses" button. The main content area shows a list of courses with filters and sorting options. Three course cards are visible, each with a "Blackboard Course" title and a "Add to cart" button. The course cards are color-coded: the first is pink, and the other two are blue. A color legend on the left indicates that pink represents "Online Courses" and blue represents "Instructor Led Courses".
